Funky hair Funday

How your support will make a difference for children

Funky Hair Funday is a day to have bucket loads of fun to support the vital work of The Little Princess Trust.

Thanks to the incredible efforts of its wonderful supporters, The Little Princess Trust provides more than 2,000 real hair wigs every year to children and young people who have lost their own hair due to cancer treatment and other conditions.

The Little Princess Trust also funds research searching for kinder and more effective treatments for all childhood cancers.

That's why your Funky Hair Funday fundraising will make a real difference as it will help The Little Princess Trust's mission of giving Hair and Hope to children and young people with cancer.

It will make an amazing event for children and young people

It's an event for everyone! Nobody is too young or old to get involved. Age and hair length do not matter.

What is important is to let your imagination run wild and to style your hair – or head – in any way you like to raise funds and profile for The Little Princess Trust.

Why not invite relatives, schoolmates, work colleagues or friends to join you on your special day?

Ideas to get your Funk

Pupils could also ask relatives to sponsor them for the fun day. The sponsorship form provided in your pack can be photocopied or downloaded from The Little Princess Trust's website if you need to print some more.

Sponsorship form

You can also collect money by asking all involved in your Funky Hair Funday to use the sponsorship form provided to make a donation.

Getting your fundraising to us

Sites such as JustGiving send the money pledged directly to us. As for cash donations, count them with a friend before banking them. You can then send the amount raised to us by:

- Calling us on **01432 352359** to pay by phone.

Make your money go further with Gift Aid

Gift Aid is a scheme that allows charities to reclaim tax on a donation made by a UK taxpayer.

If you Gift Aid your donations, we can claim back 25p for every £1 you donate to The Little Princess Trust.

This additional income makes a huge difference to us and the young people we support. Sites such as JustGiving simplify the Gift Aid process while we can also claim this vital extra income if people tick the 'Gift Aid It' box on the sponsorship form and answer each question.
