

Dear Supporter,

Let's put the fun into Funky Hair Funday!

Thank you for supporting The Little Princess Trust's Funky Hair Funday. Inside your fundraising pack you'll find lots of hair-raising ideas to give Hair and Hope to young people with cancer.

Funky ways to Fundraise.

We're grateful to everyone who grows and donates their hair, enabling us to make real hair wigs for young people who have lost their hair to cancer treatment or other conditions. But not everyone is able to do that – and we know there are lots of people who'd like to help in different ways.

That's why we created Funky Hair Funday. It's a day for everyone to support and promote our charity. So, whether you're a school, business or youth organisation you can take part and have fun.

- Style your hair like your favourite star – or your pet!
- Be creative and add a washable colour
- Dare you try a Mohican or beehive?
- Have a competition to see whose hair is the tallest, spikiest, craziest or funkiest!
- Make an event of it with a fashion show, danceathon, party or sleepover

Funky hair is made to share.

Don't forget to let everyone know all about your event. Put up posters and share the news on your social media accounts – remember to tag us in too so we can help you raise awareness @officiallittleprincesses **#FunkyHairFunday**

Most of all, get creative while fundraising with Funky Hair Funday!

Thank you!

The LPT Team
